

SHE LIED

I met her on Sunday, I loved her by 10, that girl made me smile.

She told me she loved, she said that she cared, that girl drove me wild.

The time it past quickly, in the wink of an eye, turned around she left, I almost died.

Well here's to you baby, you downed me in style, Oh Lord, that lady lied.

And then she told me she'd loved me, that she'd always be there, then why am I here so all alone.

Well I saw her as pretty, an untouchable prize, but it seemed I had stars in my eyes.

And then she set me on fire with her magic lies, all the time she had the devil in her mind.

Well here's to you baby, here's to you lady, Oh yeah, that lady lied.

Well I don't want your money, I don't want your pearls, more than that I don't want no lying girl.

She took me for granted, took me for a ride, took all I had she left me to cry.

And then she told me she loved told me told me that she cared, all along I know, I know lady lied.

Here's to you baby, here's to you lady, Oh yeah, that lady lied.

Said baby, baby, baby can you hear me when I'm calling you?
Oh yeah, that lady lied.

Said baby, baby, baby can you hear when I'm calling you?
Oh yeah, that lady lied.

Said baby, baby can't you hear me, can't you see me?
Oh yeah, that lady lied.

Said baby, baby, baby yeah, yeah, Oh yeah that lady lied.
